CAREER OBJECTIVE

Seeking a software engineer role in an organization that values strong technical skills and a problem-solving mindset, aiming to explore new opportunities to contribute to creative projects and collaborate effectively with team members.

PROFILE SUMMARY

- Expertise in HTML, CSS, React.js, JavaScript, and Next.js for front-end development.
- Collaborative and agile, skilled in problem-solving within cross-functional teams.
- Continuously adapting to emerging technologies to deliver innovative and impactful solutions.

SKILLS AND ACCOMPLISHMENTS

- **Web Development** : Understanding of HTML, CSS, Bootstrap, JavaScript, Next.js and React.js.
- **Core java** : Proficient in core java programming with strong grasp of object-oriented programming.
- **Database** : Solid understanding of MySQL.
- **Node.js**: Skilled in developing efficient, scalable server-side applications using JavaScript.
- **Problem Solving** : Strong analytical skills for resolving complex technical challenges.
- **Communication** : Effective collaboration and communication with teams.
- **Continuous Learning** : Proactively staying updated with emerging technologies and industry trends.

WORK EXPERIENCE

Frontend Developer

Aug 2023 - Present

Drighna Technology

- Developed responsive web applications using HTML, CSS, JavaScript, Next.js, and React.js.
- Worked on high-profile projects, including the **IIT Kharagpur website** and **EduTech**, a comprehensive School Management System.
- Optimized performance and ensured cross-browser compatibility.
- Conducted code reviews to maintain high-quality standards.
- Managed code versions and collaborated via GitHub.

PROJECTS

IIT Karagpur Website Development using React.js

- Developed a responsive and user-friendly interface using React.js.
- Created reusable components to enhance frontend efficiency.
- Implemented smooth navigation with React Router.
- Optimized frontend performance and ensured accessibility compliance.
- Collaborated with backend teams for seamless API integration

School Management System - Frontend Development using Next.js

- Developed a responsive and user-friendly interface using Next.js.
- Built reusable components to enhance frontend scalability and efficiency.
- Implemented server-side rendering and smooth navigation with Next.js routing.
- Optimized performance and ensured accessibility standards were met.
- Collaborated with backend teams for seamless API integration.

Responsive Website Development:

- Developed a responsive website using HTML, CSS, and JavaScript to ensure compatibility across various devices and screen sizes.
- Utilized JavaScript to add interactive elements and enhance user interaction.
- Ensured optimal user experience across multiple devices and screen sizes through responsive design techniques.
- Created a visually consistent and aesthetically pleasing design that reflects current design trends.

EDUCATION

Bachelors - Electronics and Communication Engineering
Basaveshwar Engineering College, Bagalkote, Karnataka

2019 – 2023

INTERNSHIP

Teachnook in collaboration with IIT Roorkee

05/2023 – 06/2023

- Developed interactive web applications using HTML, CSS, JavaScript and React.js.
- Implemented responsive design principles using Bootstrap to ensure optimal user experience across devices.
- Collaborated with a team to create dynamic user interfaces with React.js, enhancing application performance.
- Utilized version control systems (Git) for project collaboration and management.
- Gained hands-on experience with front-end frameworks and libraries, strengthening overall programming skills.
- Worked on a real-time project, applying theoretical knowledge to practical scenarios and solving real-world problems.

ACHIEVEMENTS

- Taekwondo Competition, Inter-zonal, Runner up 09/2022
- AIKF (All India Karate Federation), National Level - Black belt 12/2017

LANGUAGES

- English
- Hindi
- Kannada
- Telugu
